

Special Issue Call for Papers

„The meaning of life – I will sell, buy or exchange”

Guest Editor: Anna Maria Zawadzka

The aim of the Special Issue is to explore the concept of the meaning of life and the ways people built the meaning of life and satisfaction with life in the consumer and materialism culture. Authors are invited to send the papers on topics related to meaning of life and values, consumer behavior and well-being, consumer culture, materialism, meaning of work, work and family.

The deadline for the submission is 16th April 2021.
