

## **Peter E. Penson**

**Peter E. Penson MPharm, PhD, MRPharmS, PGCert, FHEA is a cardiovascular pharmacologist and a pharmacist. Since 2009 he has been Senior Lecturer in Pharmacology and Pharmacy Practice at Liverpool John Moores University.**

Dr Penson graduated in Pharmacy from Cardiff (UK) in 2004 and with a PhD in cardiovascular pharmacology from the same university in 2009. His research interests include hypertension, dyslipidaemias and ischaemia-reperfusion injury. He is particularly interested in drugs acting upon adrenoceptors and calcium channels. He employs a range of research methods in the laboratory in addition to his interest in meta-analysis.

He is the author of several research papers and textbook chapters. He has conducted research at the University of Surrey (UK), funded by the Nuffield Foundation and the University of Regensburg (Germany) funded by an Erasmus Scholarship.

Dr Penson is registered as a pharmacist with the General Pharmaceutical Council (UK). He is a member of The British Pharmacological Society, The International Society for Heart Research, The British Society for Heart Failure, The British Society for Cardiovascular Research and the Royal Pharmaceutical Society. He is a Fellow of the Higher Education academy.

He is the Editor-in-Chief of *'Autonomic & Autacoid Pharmacology'*.
